

# What to Do with Used Sharps

**Sharps** refer to: needles, syringes, lancets, auto injectors, including epinephrine and insulin pens, infusion sets, and connection needles/sets

Check [www.SafeNeedleDisposal.org](http://www.SafeNeedleDisposal.org) for local guidance on sharps disposal.

**Put used sharps in a strong, plastic container.**

When the container is 3/4 full, put the lid on, seal it with duct tape and label **NEEDLES – DO NOT RECYCLE.**

**Drop off sealed containers at designated safe sharps disposal—DO NOT PLACE IN RECYCLE OR TRASH BINS!**

## Nearby Designated Drop Off Sites
